devcom Networking dinner: August 17, 2019
devcom Conference: August 18 & 19, 2019

devcom is the official gamescom developer event and Europe's annual 'must attend' developer's conference taking place from 18-19 August, paving the way for gamescom, the world's biggest video games exhibition.

In cooperation with our international board of renowned game development experts and studio heads from indie to AAA, devcom not only creates a diverse conference program that is tailored to the actual needs of the global games development community, from beginner to top-tier veteran, but also serves as the perfect platform to easily meet and connect with industry and media representatives from all over the world. Join us for the exclusive devcom Networking Dinner on Saturday evening, have a hot cup of coffee and tasty snacks on the showfloor, check out numerous business and indie exhibitors showcasing their services and games, witness the brandnew devcom Ellie Awards - Europe's first 'Persons of the year award' -, and attend our open-air devcom Sunset Party and devcom Developer Night. On top, devcom offers you and your team turnkey ready HR booths to scout for new talents, secluded rooms to organize your own individual press conference, as well as an excellent matchmaking app to plan your meeting schedule.

Devcom 2019 program features:

- a Saturday evening Networking dinner - dine and connect with the faces of the games industry
- an expo area - showcase and promote your services and tools to game developers
- a conference programs - share and learn with experts and yours peers
- an indie area - discover and play the next indie game hit
